

# CRAFT BEERS

All of our beers are brewed on site since 1995. We believe we have found the perfect mix of popular beer styles to satisfy the majority of our clients for the last 27 years. Our brewers also experiment with novelties, bringing us a constant stream of beers of the month. We brew using mostly Canadian malts (Canada malting, Gambrinus, etc) and a few imported malts as well as high quality Québec grown hops (Cascade, Chinook, Crystal, Fuggle, Galena, etc). We are extremely lucky that our municipality's pure water naturally contains the perfect mineral salts and the right Ph for brewing our quality products.

## BRITISH STYLE BEERS

**7IÈME CIEL**  
Golden Pale Ale  
(4,7% alc/vol, 35 IBU)

Our most popular beer. This is a typical British Pale Ale, with a malty body, lots of mouthfeel and a pleasant bitterness, a few steps back from that of IPAs.

**DIABLE**  
Red Pale Ale  
(4% alc/vol, 27 IBU)

The Diable is our version of a red British ale. It gets its smooth, velvety flavor from caramel and chocolate malts. Its subtle bitterness rounds off the required balance sought out by aficionados of this style.

**DOUBLE NOIRE**  
Dry Stout  
(4,1%alc/vol, 32 IBU)

Guinness amateurs just love the coffee flavor imparted by the roasted barley in our popular stout. We use nitrogen to carbonate this beer in order to serve it with a perfect creamy head.

**REAL ALE**  
Traditional beer  
(4% alc/vol, 27 IBU)

While making our Diable beer (Red Ale), we draw off a few unfiltered kegs of product and allow the beer to be cask conditioned with an additional dose of dry hops. We then serve it with the traditional "beer engine" manual pump.

## BELGIAN STYLE BEERS

**BLIZZARD**  
Wheat beer  
(4,5%alc/vol, 20 IBU)

Our classic non-filtered wheat beer is made using standard malts, malted wheat and torrefied wheat. During the boil phase we add hops, coriander, fresh ginger and dried orange peels in order to get the perfect result. Served with a slice of lime, you'll find it to be very smooth and refreshing.

**EXTRÊME ONCTION**  
Strong beer,  
trappist style  
(9%alc/vol, 30 IBU)

Brewed according to trappist style beers, using standard malts, Munich malt, carastan and torrefied wheat. We add Candy sugar in order to increase the alcohol content as well as to give it its unique and original flavor.

Warning :  
Please drink  
responsibly
